

**Elite Tours Presents:**

# The International Tattoo

**April 24-26, 2019**

## Day 1: Wednesday, April 24, 2019

We make our way to Williamsburg, Virginia, where we enjoy a delicious lunch at one of Williamsburg's famous taverns (subject to availability). After lunch, we meet our guide for a tour of Colonial Williamsburg and the Governor's Palace, America's largest living history museum. Costumed interpreters of varied age, race, and social position provide a first-hand view of life from when the town was the capital of the Virginia colony.

We will be staying at the Oceanfront Inn, Virginia Beach. Dinner this evening will be a family-style meal at Bravo! Cucina Italiana.

## Day 2: Thursday, April 25, 2019

We begin our day with breakfast at our hotel. Afterwards, we will enjoy an admission package to the Nauticus and Battleship Wisconsin. Explore the Nauticus and enjoy hands-on exhibits, a new 3D theater, shark tank, touch tanks, and aquariums. The Battleship Wisconsin is one of the largest and last battleships built by the U.S. Navy. Walk her teak decks, stand beneath her towering 16" guns, and experience what it was like living on board as a sailor.

This afternoon, we board the Victory Rover for a lovely cruise and a box lunch. We cruise the smooth waters of the Elizabeth River and Hampton Roads Harbor. The Captain provides a fascinating and entertaining commentary over a professional quality sound system.

Enjoy a climate-controlled main cabin with large picture windows and ample comfortable seating. More seating is available on the open-air bow and top deck. A large portion of the top deck has an awning to provide shade. In the main cabin, there are restrooms, as well as a fully-stocked ship store and bar with all your favorite refreshments and souvenirs.

This evening, we will have dinner at Omar's Carriage House. Built in the 1840's, the original building is a historic site in Norfolk. At that time, its patrons were horses. If you look up from the first floor, you'll see the large opening where hay used to be loaded into carriages.

Following dinner, we make our way to Scope Arena for the Virginia International Tattoo. The heartbeat of the Virginia International Tattoo is its extraordinary international cast. Every year, the Tattoo includes military bands, drill teams, bagpipers, drummers, Celtic dancers, choirs and more from

around the globe to create a spectacular performance. The performers epitomize talent, discipline, hard work and pride for their passion and cultural traditions.

### **Day 3: Friday, April 26, 2019**

We begin the day with breakfast at the hotel. Following breakfast, we will head to the Stephen Udvar-Hazy Air & Space Museum in Chantilly, VA, which serves as the companion facility to the Museum on the National Mall in Washington, DC. Opened in 2003, its two huge

hangars — the Boeing Aviation Hangar and the James S. McDonnell Space Hangar — display thousands of aviation and space artifacts, including a Lockheed SR-71 Blackbird, a Concorde, and the space shuttle Discovery. A docent will greet and lead us through the museum's collection and outline the history of air and space travel. After the tour, there will be free time to explore the museum.

Finally, we will board the coach and head home with many fond memories of our exciting time in Virginia.
